

TOES PTO

We are a dedicated group of parents and teachers working together towards a common goal of continuously bettering our school and, in turn, the educational experience of our students. By working closely with families, community members and area businesses, the TOES PTO is able to provide a wide range of educational enrichment programs for the students, provide our teachers with classroom support and supplies, supply TOES with the latest technology and resources, coordinate fun events for our students and families as well as fund on-going improvements to our campus.
