

SHOUT OUT TO YOUR FIFTH GRADER

Here is what you need to know about yearbook shout-outs...

- Shout-outs cannot be changed or altered by our staff. Once you submit your Shout-out it is final.
- Shout-outs are **only** available for purchase through the yearbook publisher's website.
- Order early - Don't wait until the deadline to submit your shout-out. Avoid missing your opportunity.
- Do not use a dark font on a dark background. Fine fonts, while fun and decorative, are also difficult to read.
- **Closing date for all Shout-outs is December 22, 2017.** The yearbook has a year-long process with various submission dates. Once the submission date is past we cannot accept submissions.

Please follow the directions below to create your dedication. The directions are for creating a "yearbook advertisement" – that is your shout-out.
