

Trinity Oaks Elementary
Lego Robotics Club Team 30913
New Member Application
2018-2019

Thank you for applying for the Trinity Oaks Elementary School's 1st Lego Robotics Team!

Please answer the following questions to apply for a spot on our 4th/5th grade Lego Robotics Team. If you are accepted to the team, be prepared for a great experience! No one knows how much of a benefit you will get by participating, but the potential of personal rewards are great. You will only get out of your experience what you are willing to put into the team. That means working hard, playing hard, and respecting and supporting your teammates, mentors, and advisors. The fees for this club will be between \$50-\$100 to participate in different competitions and events. You will also receive a team shirt.

Our club will meet every Wednesday before school at approximately 8:40 am.

There are important competition dates in early winter. Typically, they are on a Saturday.

***Participants must have their parents provide transportation to and from each event and meeting.**

1. What made you want to become a member of this team?

2. What strengths will you bring to the team?

3. When you heard about the Robotics Team, what aspect(s) interested you the most?

- | | |
|---|------------------|
| 4. Were you ever on a FIRST Lego League team? | YES NO |
|---|------------------|

5. Are you involved in other organizations, extra-curricular activities, jobs, or sports? If so what? And when?

6. What type of student do you consider yourself?

7. How do you feel about collaboration and teamwork?

8. Please list 3 adults (Teachers/coaches, etc.) that you wish to use as a reference:
